The Mayor-Pro-Tem is selected by majority vote of the council from among its own governing body. a. Mayor Dormier opened the PUBLIC HEARING to receive comments from the public regarding the request at 7:01 pm.

- Mr. A. Jarvis, 503 Edgewood voiced concerns of water drainage, the preservation of trees, and if the water pressure would be affected with added homes.
- Mayor Dormier closed the Public Hearing at 7:09 pm, as there was no one else to speak.

b. DELIBERATION and questions with applicant.

c. RECEIVE recommendation from the Planning and Zoning Commission

- Planning and Zoning Commission Chair Carol Lynch, 316 Shadowwood Trail, shared the concerns and discussion of the Planning and Zoning Commission: trees, drainage, emergency vehicle accessibility, and density. It was understood that those issues would be addressed with engineering and at the time construction plans were submitted. This was strictly about the zoning. The Planning and Zoning Commission approved and recommended the zoning change classification with a 4-1 vote.

DISCUSSION/ACTION – Consideration of and action on Case PZ19-01, a request for a Zoning Classification Change filed by Juan and Alicia Flores (Flores Homes, Inc) owners of said property, to change the zoning of said property from "R-C" Single Family Residential 5-acres to "R-E" Single Family Residential 1-acre, on approximately a 12-acre tract of land. Legal Description being E W Banton, Abstract 51, Ovilla, Ellis County, Texas, more commonly known as 611 Malloy Road,

NAME:	JUAN & ALICIA FLORES
APPLICATION DATE:	02/26/2019
LOCATION:	611 Malloy Road, Ovilla
UTILITIES:	Ovilla water / septic system
CURRENT ZONING:	RC 5-ACRE MINIMUM
PROPOSED ZONING:	RE 1-ACRE MINIMUM
PROPOSED LAND USE:	RESIDENTIAL
MAJOR THOROUGHFARE:	Cockrell Hill Road

The Flores currently reside on a portion of their property. Their desire is to change the zoning in order to create 8 one-acre residential lots for eventual development. The Planning and Zoning Commission met on May 06 and approved an affirmative recommendation to Council by a vote of 4-1. Mayor Dormier confirmed acknowledgement and understanding with Mr. Flores that if the zoning classification change were approved, it did not approve a concept plan, nor site plan (at this time) and that he may not qualify for 8 specific lots for development. Mr. Flores stated he understood Council was not addressing a site plan, only the zoning classification change.

PL5 Myers moved that Council approve the zoning classification change filed by Juan and Alicia Flores, changing said property from R-C Single Family Residential 5-acres to R-E Single Family Residential 1-acre as presented, seconded by PL2 Oberg.

No oppositions, no abstentions.

VOTE: The motion to approve carried unanimously: 3-0.

He advised Ovilla was in good standing with 273 days committed fund balance, whereas 90-days were required.

PL2 Oberg moved that Council approve Resolution R2019-09, accepting the Annual Financial Audit Report for the year ended September 30, 2018, prepared by Yeldell, Wilson, Wood and Reeve, P.C., seconded by PL5 Myers.

No oppositions, no abstentions.

VOTE: The motion to approve carried unanimously: 3-0.

ITEM 5. DISCUSSION – Review and discuss the current contract with Community Waste Disposal (CWD) representatives.

This Item was placed on the agenda to address the quality of service being provided by CWD and for CWD to brief the Council on the Annual Clean-Up Day event.

Mayor Dormier allowed residents to speak:

1. Mr. A. Jarvis, 503 Edgewood, shared his displeasure with the collection service provided by CWD, advising their collection was not consistent with the schedule. They often missed.
2. MS Dani Muckleroy, 608 Green Pastures, advised of receiving poor collection service and that trash receptacles were thrown into the street, causing safety issues too.

Staff shared an extensive resident complaint log on the collection service with CWD representatives. Mr. Jason Roemer, Municipal Coordinator with CWD was present and advised collection service would improve. Additionally, because CWD failed to apply for a permit in a timely manner, CWD would be unable to collect any hazardous waste during Ovilla's Annual Clean-up Day. Mr. Roemer advised that CWD would hold a second "clean-up day" for Ovilla to include the collection of hazardous waste materials at no charge in the fall. Council's consensus was to allow CWD time to improve their service and address the contract again in two months - July 2019.

No Action.
