MEMORANDUM

TO: Steering Committee of Cities Served by Oncor

FROM: Paige Mims, Chair

DATE: January, 2020

RE: **Action Needed – 2020 Membership Assessment Invoice**

Enclosed please find the 2020 Steering Committee of Cities Served by Oncor (“Steering Committee”) membership assessment invoice and draft resolution. These items are discussed below. We ask that your city please take action on the membership assessment as soon as possible.

Although the Steering Committee does not require that your city take action by resolution to approve the assessment, some members have requested a resolution authorizing payment of the 2020 membership assessment. Payment of the membership assessment fee shall be deemed to be in agreement with the terms of the Steering Committee participation agreement.

Please forward the membership assessment fee and, if applicable, the signed resolution to Brandi Stigler, Steering Committee of Cities Served by Oncor, c/o City Attorney’s Office, Mail Stop 63-0300, 101 S. Mesquite St., Suite 300, Arlington, Texas 76010. Checks should be made payable to: *Steering Committee of Cities Served by Oncor*. If you have any questions, please feel free to contact me at (972/941-7125) or Thomas Brocato (tbrocato@lglawfirm.com, 512/322-5857).

Membership Assessment Invoice and Resolution

The Steering Committee is the most active consumer group advocating the interests of cities and residential and small commercial customers within the cities to keep electric transmission and distribution (*i.e.*, wires) rates reasonable. Steering Committee activities protect the authority of municipalities over the regulated wires service and rates charged by Oncor Electric Delivery Company, LLC (“Oncor”).

The work undertaken by the Steering Committee has saved cities and ratepayers millions of dollars in unreasonable charges. In order to continue to be an effective voice before the Public Utility Commission of Texas (“Commission” or “PUC”), ERCOT, the Legislature, and in the courts, the Steering Committee must have your support. The membership assessment is deposited in an account which funds Steering Committee activities.

Currently, the Steering Committee is involved in numerous rulemakings and projects at the PUC. The Steering Committee expects to participate in Oncor’s Distribution Cost Recovery Factor (“DCRF”) and Energy Efficiency Cost Recovery Factor (“EECRF”) proceedings later this year.

On December 12, 2019, the Steering Committee approved the 2020 assessment for Steering Committee membership. Based upon the population-based assessment protocol previously adopted by the Steering Committee, the assessment for 2020 is a per capita fee of \$0.07 based upon the population figures for each city shown in the latest TML Directory of City Officials. This is a decrease of \$0.01 compared to 2019. The enclosed invoice represents your city's assessment amount.

To assist you in the assessment process, we have attached several documents to this memorandum for your use:

- OCSC 2019 Year in Review
- Model resolution approving the 2020 assessment (optional, provided for those cities that have requested a resolution to authorize payment)
- Model staff report supporting the resolution

STAFF REPORT ON ASSESSMENT RESOLUTION FOR STEERING COMMITTEE OF CITIES SERVED BY ONCOR

Purpose of the Resolution

The City of Ovilla is a member of a 162-member city coalition known as the Steering Committee of Cities Served by Oncor (Steering Committee). The resolution approves the assessment of a seven cent (\$0.07) per capita fee to fund the activities of the Steering Committee.

Why this Resolution is Necessary

The Steering Committee undertakes activities on behalf of municipalities for which it needs funding support from its members. Municipalities have original jurisdiction over the electric distribution rates and services within the city. The Steering Committee has been in existence since the late 1980s. It took on a formal structure in the early 1990s. Empowered by city resolutions and funded by per capita assessments, the Steering Committee has been the primary public interest advocate before the Public Utility Commission, ERCOT, the courts, and the Legislature on electric utility regulation matters for over two decades.

The Steering Committee is actively involved in rate cases, appeals, rulemakings, and legislative efforts impacting the rates charged by Oncor Electric Delivery Company, LLC within the City. Steering Committee representation is also strong at ERCOT. It is possible that additional efforts will be necessary on new issues that arise during the year, and it is important that the Steering Committee be able to fund its participation on behalf of its member cities. A per capita assessment has historically been used, and is a fair method for the members to bear the burdens associated with the benefits received from that membership.

Explanation of "Be It Resolved" Paragraphs

I. The City is currently a member of the Steering Committee; this paragraph authorizes the continuation of the City's membership.

II. This paragraph authorizes payment of the City's assessment to the Steering Committee in the amount of seven cents (\$0.07) per capita, based on the population figure for the City as shown in the latest TML Directory of City Officials.

III. This paragraph requires payment of the 2020 assessment be made and a copy of the resolution be sent to the Steering Committee.

Payment of Assessment

A copy of the resolution should be mailed with payment of the fee to Brandi Stigler, Steering Committee of Cities Served by Oncor, c/o City Attorney's Office, Mail Stop 63-0300, 101 S. Mesquite St., Suite 300, Arlington, Texas 76010. Checks should be made payable to: *Steering Committee of Cities Served by Oncor.*

ITEM 1. DISCUSSION/ACTION – Consideration of and action on an agreement to match funds awarded by the AFG Grant, for Personal Protective Equipment (PPE) in the amount of \$4,357, authorizing Chief Kennedy to execute grant documents.

Discussion / Justification:

Background/History: Personal Protective Equipment (PPE) is issued to every member of the department to wear into IDLH atmospheres and hazardous conditions. This gear consists of coats, pants, helmets, hoods, boots, and gloves. This gear keeps our members as safe as possible while performing the duties of their job. National Fire Protection Agency (NFPA) 1851 gives each set of PPE a life span of not more than 10 years. What this means is that, at 10 years the gear is retired from service no matter the condition. The gear is required to be sent off and professionally cleaned, inspected, and repaired if necessary, on an annual basis. Last year this totaled to over \$7300. While doing the inspections this last year, we lost 16 pieces of gear (coats or pants) due to the moisture barrier failing, and there was still 2-3 years left on the 10-year life span.

Findings/Current Activity: Since we are regulated by the Texas Commission on Fire Protection (TCFP), our members are not permitted to share gear. After the inspection company took our gear out of service, we were left in a bind. We were hoping to receive the safer grant for full time personnel which would have greatly reduced the amount of gear we needed. After not receiving the grant, we needed a quick solution to a big problem since it takes 6 – 8 weeks for the PPE to be made and shipped. We decided to rent gear for the 16 members from Delta Industrial Service and Supply. We are currently renting 16 sets of gear (coats and pants) and below is a cost comparison of renting vs. owning our gear.

Renting	Owning
\$ 76.00 per set per month	\$ 21.74 per set per month
\$ 1,216.00 per month for 16 sets	\$ 347.84 per month for 16 sets
\$ 14,592.00 per year for 16 sets	\$ 4,174.08 per year for 16 sets
\$ 145,920.00 over 10 years for 16 sets	\$ 41,740.80 over 10 years for 16 sets

We have looked at several different models of new PPE and found that by buying versus renting we accomplish several things.

1. Ownership of gear
2. Uniformity so all members look the same and are easily identified
3. Better quality gear than what is currently being rented
4. With today's numbers, it saves the City \$104,180 over 10 years

Financial Impact:

City funds will be used for the match of the award which will cost \$4,357.00 and is in the Fire Department Budget.

Recommendation / Staff Comments:

Staff recommends approval.

Sample Motion(s):

*I move to **approve/deny** the use of city funds from the Fire Department Budget to match the AFG Grant if awarded, to the Ovilla Fire Department, in the amount of \$4,357.00 for the purchase of P.P.E. - Bunker Gear, authorizing Chief Kennedy to execute grant documents.*

VERIDIAN FIRE PROTECTIVE GEAR WARRANTY

WARRANTY

When properly used and cared for, Veridian warrants your protective ensemble to be free from defects in material or workmanship for the life of the garment. Our obligation under this warranty shall be limited to the repair or replacement, without charge, of any product deemed defective by Veridian. This warranty does not cover normal wear or use for anything other than the intended purposes.

This warranty is in lieu of all other warranties- expressed or implied- including but not limited to implied warranties of marketability and/or fitness for a particular purpose.

Veridian shall not under any circumstances be liable for incidental or consequential damages.

SAFETY COMPONENTS

an  company
open the future™

Safety Components Warranty Statement

Safety Components will place a 5-year warranty on all Safety Components structural fire fighting fabrics against defects in materials and workmanship. It is expected that any defects would surface within a 5-year period and if so the material would be replaced/repaired by Safety Components.

The Safety Components warranty does not cover rips, tears, or holes resulting from normal wear and tear expected to occur during normal firefighter activities. Normal firefighter activities include but are not limited to recruit school, training activities, and response to fire/EMS/traffic calls. Holes in the outer shell resulting from tools puncturing through pockets are expected and considered normal wear. In addition, degradation resulting from UV, chemicals, and direct heat/flame are considered normal and not covered under the warranty.

It should be noted that fabrics are not warranted against change in color. All flame resistant fabrics, regardless of color, will experience a shift in color. Gold/Natural colored fabrics will darken after exposure to light through a process called oxidation. Depending on garment storage, oxidation may occur uniformly or it may occur in specific areas/panels receiving more light. All black outer shells will fade to charcoal after exposure to wash/wear; a red tint will appear after exposure to light. A shift in color alone does not mean the material has experienced a loss of protection or durability performance. Any fabric containing PBI, PBO, meta-aramid (DuPont™ Nomex®, Tejinconex®), para-aramid (DuPont™ Kevlar®, Tejin Twaron®, Tejin Technora®) will experience a change in color, regardless of the textile manufacturer.

Safety Components has been manufacturing textiles for over 100 years. Companies only stay in business that long if they stand behind their product and commit to exceeding customer satisfaction. Safety Components is proud to offer this warranty and looks forward to supplying the fire service with flame resistant fabrics for many years to come.

1. Target Solutions Agreement

Agenda Item / Topic:

ITEM 2. **DISCUSSION/ACTION** – Consideration of and action on a contract agreement with Target Solutions LLC., a web-based equipment check software that integrates with current incident reporting software Emergency Reporting authorizing Fire Chief Kennedy to execute, effective immediately.

Discussion / Justification:

Background/History: OFD is required by Texas Commission on Fire Protection (TCFP) to track all apparatus' daily and weekly checks, SCBA daily checks, and PPE inspections. Currently this is done by documenting all the required checks on paper, and then is kept on file to present to TCFP whenever they do a site visit to inspect our compliance. With 8 apparatus, 20 SCBA's, 40 SCBA Bottles, 50 sets of bunker gear and station inventory, there is a lot of paper used and to keep track of.

Findings/Current Activity: Target Solutions Check It is a cloud-based software that takes all the paper documentation and makes it electronic form. Target Solutions Check It is also available as a phone app, that puts the daily equipment checks, maintenance tickets, fuel entries, and inventory duties on the firefighters phone or the station iPad, so that all duties and information is more consistent and done the same way. This software will integrate with our current Emergency Reporting system and essentially will be an extension of our Emergency Reporting that we currently use for Incident Reports.

Financial Impact: \$1441 is the cost for the one-year contract, and the Fire Department has money in the budget to cover this cost without a budget amendment.

Recommendation / Staff Comments:

Staff is requesting permission for the Fire Chief to sign a "Client Agreement" that will be in place for 1 year.

Sample Motion(s):

I move to approve/deny a contract agreement with TargetSolutions LLC., a web-based reporting software used for apparatus checks and inventory, authorizing Chief Kennedy to execute, effective immediately.

Client Agreement

This Target Solutions Client Agreement (the "Agreement"), effective as of the date noted in the attached Schedule A (the "Effective Date"), is by and between TargetSolutions Learning, LLC, d/b/a Vector Solutions ("TargetSolutions"), a Delaware limited liability company, powered by CrewSense, LLC ("CrewSense") and Halligan, Inc. ("Halligan") (collectively referred to herein as "TSL") and the undersigned client ("Client"), and governs the purchase and ongoing use of the services described in this Agreement (the "Services").

1. Services. TSL shall provide the following services:

1.1. Access and Use. TSL will provide Client a non-exclusive, non-transferable, revocable, limited license to remotely access and use the software as a service ("Services") hereunder and, unless prohibited by law, will provide access to any person designated by Client ("Users").

1.2. Availability. TSL shall use commercially reasonable efforts to provide access to and use of the Services by Client's Users twenty-four (24) hours a day, seven (7) days a week, subject to scheduled downtime for routine maintenance, emergency maintenance, system outages and other outages beyond TSL's control.

1.3. Help Desk. TSL will assist Users as needed on issues relating to usage via Help Desk five (5) days per week at scheduled hours.

1.4. Upgrades and Updates. TSL may update or upgrade the Services at any time at its discretion. Without paying additional compensation, Client will receive access to any general upgrades and updates to the Services licensed from TSL, which upgrades and/or updates TSL makes generally available to its other clients. All updates and upgrades to the Services are subject to the terms and conditions of this Agreement.

2. Client's Obligations.

2.1. Compliance. Client shall be responsible for Users' compliance with this Agreement and use commercially reasonable efforts to prevent unauthorized access to or use of the Services.

2.2. Identify Users. Client shall (i) provide a listing of its designated/enrolled Users; (ii) cause each of its Users to complete a profile; (iii) maintain user database by adding and removing Users as appropriate; and (iv) when purchasing asset inventory management Services, identify stations, vehicles, drug safes, and other service specific details, as may be applicable.

2.3. Future Functionality. Client agrees that its purchases hereunder are neither contingent on the delivery of any future functionality or features nor dependent on any public comments regarding future functionality or features.

2.4. Additional Service Specific Client Obligations. The following subsections 2.4 (a) and 2.4 (b) apply only if Client is purchasing "Vector Solutions Incident Tracking Service":

(a) Client acknowledges that all notifications it receives from Vector Solutions Incident Tracking Service may contain sensitive personal information and client shall ensure that such information is secured from transmissions and/or disclosure to unauthorized recipients. Client understands that TSL does not control or own the data contained in the notifications. Client agrees that it will be solely responsible for establishing a security system to prevent the transmission and/or disclosure of such information to unauthorized recipient(s). In the event such information is disclosed to an unauthorized recipient(s), Client bears the burden and expense of notifying any individual whose sensitive personal information may have been disclosed to the extent required by law. Client further agrees to handle the data in compliance with any applicable federal, state, or local laws or regulations, and that it will monitor employees using the Incident Tracking Service.

(b) Client represents and warrants that it is not a health care provider, health plan, or health care clearinghouse (collectively, a "covered entity") as those terms are defined under the federal Health Information Portability and Accountability Act ("HIPAA"). Client further represents and warrants that it is not a business associate as that term is defined under HIPAA. Client further agrees to indemnify and hold TSL and its officers, members, agents and employees harmless from any and all claims and demands (including reasonable attorneys' fees associated with the same) made by Client and/or any third party due to or arising out of any claim that TSL is a covered entity or business associate, due to Client's use of the Incident Tracking Service.

3. Fees and Payments.

3.1. **Fees.** Client will pay for the Services in accordance with the fee schedule in Schedule A attached to this Agreement. Fees listed in Schedule A shall be increased by 3% per year both during the term of this Agreement, as well as for any renewal terms. License fees do not include any shipping, duties, bank fees, sales, use, excise or similar taxes due. If TSL is required to pay any such amounts, Client shall reimburse TSL in full.

3.2. **Payments.** All fees due under this Agreement must be paid in United States dollars or Canadian Dollars, as applicable to Client's location. Such charges will be made in advance, according to the frequency stated in Schedule A. TSL will invoice in advance, and such invoices are due net thirty (30) days from the invoice date. All fees collected under this Agreement are fully earned when due and nonrefundable when paid.

3.3. **Suspension of Service for Overdue Payments.** Any fees unpaid for more than ten (10) days past the due date shall bear interest at 1.5% per month. With fifteen (15) days prior written notice, TSL shall have the right, in addition to all other rights and remedies to which TSL may be entitled, to suspend Client's Users' access to the Services until all overdue payments are paid in full.

4. Intellectual Property Rights.

4.1. Client acknowledges that TSL alone (and its licensors, where applicable) shall own all rights, title and interest in and to TSL's software, website or technology, the course content, translations, compilations, partial copies, modifications, and updates, and the Services provided by TSL, as well as any and all suggestions, ideas, enhancement requests, feedback, recommendations or other information provided by Client, and this Agreement does not convey to Client any rights of ownership to the same. The TSL name and logo are trademarks of TSL, and no right or license is granted to Client to use them.

4.2. Client recognizes that TSL regards the software it has developed to deliver the Services as its proprietary information and as confidential trade secrets of great value. Client agrees not to provide or to otherwise make available in any form the software or Services, or any portion thereof, to any person other than Authorized Users of Client without the prior written consent of TSL. Client further agrees to treat the Services with at least the same degree of care with which Client treats its own confidential information and in no event with less care than is reasonably required to protect the confidentiality of the Services.

4.3. Except as otherwise agreed in writing or to the extent necessary for Client to use the Services in accordance with this Agreement, Client shall not: (i) copy the course content in whole or in part; (ii) display, reproduce, create derivative works from, transmit, sell, distribute, rent, lease, sublicense, transfer or in any way exploit the course content or Services in whole or in part; (iii) embed the course content into other products; (iv) use any trademarks, service marks, domain names, logos, or other identifiers of TSL or any of its third party suppliers; or (v) reverse engineer, decompile, disassemble, or access the source code of any TSL software.

4.4. If Client chooses to participate by uploading its information to its shared resource sections of TSL's website, Client hereby authorizes TSL to share any intellectual property owned by Client ("User Generated Content") that its Users upload to the shared resources section of TSL's website with TSL's third-party customers and users that are unrelated to Client ("Other TSL Customers"); provided that TSL must provide notice to Client's users during the upload process that such User Generated Content will be shared with such Other TSL Customers.

5. Term and Notice.

5.1. **Term.** The term of this Agreement shall commence on the Effective Date and will remain in full force and effect for the term indicated in Schedule A ("Term"). Upon expiration of the Initial Term, this agreement shall automatically renew for successive one (1) year periods (each, a "Renewal Term"), unless notice is given by either party of its intent to terminate the Agreement, at least sixty (60) days prior to the scheduled termination date. Upon expiration of the Initial or any Renewal Term, access to the Services may remain active for thirty (30) days solely for purpose of Company's record keeping (the "Expiration Period"). Any access to or usage of the Services following the Expiration Period shall be deemed Client's renewal of the Agreement under the same terms and conditions.

5.2. **Notice.** All required notices hereunder by either party shall be given by personal delivery (including reputable courier service), fees prepaid, or by sending such notice by registered or certified mail return receipt requested, postage prepaid, and addressed as set forth on the last page of this Agreement. Such notices shall be deemed to have been given and delivered upon receipt or attempted delivery (if receipt is refused), as the case may be, and the date of receipt identified by the applicable postal service on any return receipt card shall be conclusive evidence of receipt. Either party, by written notice to the other as above described, may alter the address for receipt by it of written notices hereunder.

6. Mutual Warranties and Disclaimer.

6.1. **Mutual Representations & Warranties.** Each party represents and warrants that it has full authority to enter into this Agreement and to fully perform its obligations hereunder.

6.2. **Disclaimer.** EXCEPT AS EXPRESSLY PROVIDED HEREIN, NEITHER PARTY MAKES ANY WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SERVICES IS WITH CLIENT. TSL DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SERVICES WILL MEET CLIENT'S REQUIREMENTS OR THAT THE OPERATION OF THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE.

6.3. **WORKPLACE SAFETY IS YOUR RESPONSIBILITY.** THAT DUTY CANNOT BE DELEGATED AND TSL ACCEPTS NO DELEGATION OF THAT DUTY. TSL WILL ASSIST YOU BY PROVIDING SPECIFIC SERVICES FOR WHICH YOU HAVE CONTRACTED.

7. Miscellaneous.

7.1. **Limitation on Liability.** Except as it relates to claims related to Section 4 or Section 7.2 of this Agreement, (a) in no event shall either party be liable to the other, whether in contract, warranty, tort (including negligence) or otherwise, for special, incidental, indirect or consequential damages (including lost profits) arising out of or in connection with this Agreement; and (b) the total liability of either party for any and all damages, including, without limitation, direct damages, shall not exceed the amount of the total fees due to, or already paid to, TSL for the preceding twelve (12) months.

7.1.1. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WHATEVER THE LEGAL BASIS FOR THE CLAIM, UNDER NO CIRCUMSTANCES SHALL TSL BE LIABLE TO CLIENT OR TO ANY OF CLIENT'S OFFICERS, DIRECTORS, MEMBERS, MANAGERS, SHAREHOLDERS, EMPLOYEES, CONTRACTORS, AGENTS, OR REPRESENTATIVES; OR TO ANY THIRD PARTY FOR ANY CLAIM, CAUSE OF ACTION, DEMAND, LIABILITY, DAMAGES, AWARDS, FINES, OR OTHERWISE, ARISING OUT OF OR RELATING TO PERSONAL INJURY, DEATH, OR OTHER HARM CAUSED FROM USE OF OR RELIANCE ON THE CONTENT OF THE COURSES. CLIENT, ITS OFFICERS, DIRECTORS, MEMBERS, MANAGERS, SHAREHOLDERS, EMPLOYEES, CONTRACTORS, AGENTS, AND REPRESENTATIVES RELY ON THE CONTENT OF THE COURSES AT THEIR OWN RISK.

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF CERTAIN TYPES OF DAMAGES SO, SOLELY TO THE EXTENT SUCH LAW APPLIES TO CLIENT, THE ABOVE LIMITATIONS AND EXCLUSIONS MIGHT NOT APPLY TO CLIENT.

7.2. Indemnification.

7.2.1 **Indemnification by TSL.** TSL shall indemnify and hold Client harmless from any and all claims, damages, losses and expenses, including but not limited to reasonable attorney fees, arising out of or resulting from any third-party claim that the Services or any component thereof infringes or violates any intellectual property right of any person.

7.2.2 **Indemnification by Client.** To the extent permitted by applicable law, Client shall indemnify and hold TSL harmless from any and all claims, damages, losses and expenses, including but not limited to reasonable attorney fees, arising out of or resulting from any third party claim that any document, course, or intellectual property owned by Client or uploaded to the LMS by Client infringes or violates any intellectual property right of any person.

7.3. **Assignment.** Neither party may assign or delegate its rights or obligations pursuant to this Agreement without the prior written consent of the other, provided that such consent shall not be unreasonably withheld. Notwithstanding the foregoing, TSL may freely assign or transfer any or all of its rights without Client consent to an affiliate, or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets.

7.4 **Force Majeure.** TSL shall have no liability for any failure or delay in performing any of its obligations pursuant to this Agreement due to, or arising out of, any act not within its control, including, without limitation, acts of God, strikes, lockouts, war, riots, lightning, fire, storm, flood, explosion, interruption or delay in power supply, computer virus, governmental laws or regulations.

7.5. No Waiver. No waiver, amendment or modification of this Agreement shall be effective unless in writing and signed by the parties.

7.6. Severability. If any provision of this Agreement is found to be contrary to law by a court of competent jurisdiction, such provision shall be of no force or effect; but the remainder of this Agreement shall continue in full force and effect.

7.7. Export Regulations. All Content and Services and technical data delivered under this agreement are subject to applicable US and Canadian laws and may be subject to export and import regulations in other countries. You agree to comply strictly with all such laws and regulations and acknowledge that you have the responsibility to obtain such licenses to export, re-export, or import as may be required after delivery to you.

7.8. Purchase Orders. Client may issue a purchase order for its convenience only, it being agreed by the Parties that the terms and conditions of this Agreement shall control. Any terms or conditions included in a purchase order or similar document issued by Client that conflict with the terms and conditions of this Agreement will not apply to or govern the transaction resulting from the purchase order, unless both Parties expressly agree in writing to the particular conflicting term or condition, in which event the agreed term or condition will apply only with respect to that particular purchase order.

7.9. Entire Agreement. This Agreement and its exhibits represent the entire understanding and agreement between TSL and Client, and supersedes all other negotiations, proposals, understandings and representations (written or oral) made by and between TSL and Client.

ITEM 4. DISCUSSION/ACTION – Consideration of and Action on a request filed by Mr. Ed Harrison for a Meritorious Exception to place a pole sign located on 664 and 100 Ovilla Creek Court, authorizing the City Manager to execute said permit.

Discussion / Justification:

Applicant Ed Harrison applied to place a pole sign at 664 and 100 Ovilla Creek Court, for subdivision development of Ovilla Creek Estates. Section 3.06 of the Ovilla Code of Ordinances prohibits placement of pole signs.

Sign description: 8X4 pole sign

Materials: Wood

Duration: This sign is for temporary placement and expected to remain at this location until the subdivision is primarily developed.

Sec 3.06.012 Granting of exceptions

- (a) Generally, It is not the intention of these criteria to discourage innovation. It is entirely conceivable that signage proposals could be made that, while clearly nonconforming to this article and thus not allowable under these criteria, have obvious merit in not only being appropriate to the particular site or location, but also in making a positive contribution to the visual environment.
- (b) Request for exception, Upon request of an interested party, the city council, upon recommendation by the administrative official, shall hear and shall seriously and fairly consider a request for a meritorious exception under this section.

Recommendation / Staff Comments:

Staff recommends approval.

Yes you can. I will put it on the agenda. They may not make a final decision at this meeting but we can see what questions they have and finalize in April. I have spoken with the city manager and police chief about it. We may want to consolidate our two flagpoles at city hall into one location so that may come also. Let me know if you have any questions. Do you have any new information? I can put what you gave me into the packet if it is still current. We will send the packets out tomorrow night

Midlothian - Midlothian City Limits	5
Mutual Aid - Mutual Aid	4
Ovilla - City Limits	33
Red Oak - Red Oak City Limits	5

TOTAL: 78

Districts are broken down by Cities or Areas we respond to.

Midlothian and Red Oak are what is called Automatic Aid due to being on the same dispatch system, and we are toned at the exact same time for an emergency that requires additional units to respond.

Mutual Aid is calculated by the cities that must call our dispatch center to request our help on incidents that occur in their cities.

Examples are Glenn Heights, Desoto, Duncanville, Cedar Hill, Lancaster, Waxahachie, Ferris, and Wilmer.

Breakdown of Average Response Times by District for the Last Two Months

District	AVERAGE RESPONSE TIME in minutes (Dispatch to Arrived)

Red Oak - Red Oak City Limits	9.92
ESD2 - ESD #2	7.46
ESD4 - ESD #4	7.28
Ovilla - City Limits	4.27
Average	6.34

Response times are figured by Time of Dispatch to Arrival at scene time. Overall the goal is that in our "First-In Districts", City Limits, ESD #2, and ESD #4, we are there in under 8 minutes.
