City of Ovilla
~ PROCLAMATION ~
Fire Prevention Month

WHEREAS, the city of (Ovilla, Texas) is committed to ensuring the safety and security of all those living in and visiting (Ovilla); and

WHEREAS, since 1922, our Nation has observed Fire Prevention Week to promote emergency preparedness and reaffirm our enduring commitment to fire safety. This week, we honor and remember the heroic firefighters and first responders who made the ultimate sacrifice to save and protect our citizens, homes, and communities. We express our gratitude for their service to our country, and we encourage all Americans to do their part to prevent dangerous fires. Fire is a serious public safety concern both locally and nationally, and homes are the locations where people are at greatest risk from fire; and

WHEREAS, in 2018, more than 1.3 million fires killed 3,655 people and injured 15,200 more, while causing an estimated \$25.6 billion in direct property loss; and

WHEREAS, All Americans should take the dangers of fires seriously and conduct routine inspections of smoke alarms and plan and practice home fire escapes. Such concerted efforts are crucial to stopping fires and their devastating consequences. Working smoke alarms cut the risk of dying in reported home fires in half; and

WHEREAS, three out of five home fire deaths result from fires in properties without working smoke alarms; and

WHEREAS, in one-fifth of all homes with smoke alarms, none were working; and

WHEREAS, when smoke alarms should have operated but did not do so it was usually because batteries were missing, disconnected, or dead; and

WHEREAS, (Ovilla's) residents should install smoke alarms in every sleeping room, outside each separate sleeping area, and on every level of the home; and

WHEREAS, (Ovilla's) residents should install smoke alarms and alert devices that meet the needs of people who are deaf or hard of hearing; and

WHEREAS, (Ovilla's) residents who have planned and practiced a home fire escape plan are more prepared and will therefore be more likely to survive a fire; and

WHEREAS, (Ovilla's) first responders are dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education; and

NOW, THEREFORE, I, Mayor of the City of Ovilla, call upon all citizens of the City to observe October as **Fire Prevention Month** to join in commemorating firefighters, past and present, who by their faithful and loyal devotion to their responsibilities have rendered a dedicated service to their communities and, in doing so, have established for themselves an enviable and enduring reputation for preserving the safety and security of all citizens.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the official seal of the City of Ovilla to be affixed this 12th day of October in the year 2021.

INSURANCE AND INDEMNIFICATION

Section 4.01 Insurance.

A. City facilities and equipment: The City must insure all of the City's facilities and equipment, or cause them to be insured, for loss or damage of such kind usually insured against by entities similarly situated. The City shall designate the District as an additional insured on any liability insurance or liability risk pool coverage that covers any Emergency Services offered by the City.

B. Equipment. City shall insure the Equipment, and shall designate the District as a loss payee and additional insured on the policy or policies covering the Equipment. City shall secure a letter from the insurer's underwriter indicating that any District personnel who may occasionally use the Equipment are covered by the policy or policies, and provide a copy of that letter to the District within 10 days of annual policy renewal during each year this Agreement is in place.

C. Facilities. Beginning January 1, 2017, City shall insure the Facilities for all risks and in an amount agreeable to the District that will fully cover the total value of the Facilities. Such insurance shall list District as a loss payee and additional insured. The City shall provide a copy of the certificate of insurance on the Facilities to the District within 10 days of annual policy renewal during each year this Agreement is in place.

D. Workers Compensation Insurance: At all times during the term of this Agreement, City must maintain Worker's Compensation Insurance with respect to all paid employees, and volunteer members that volunteer directly for the City.

Section 4.02 Indemnification.

To the fullest extent permitted by law, and subject to the last sentence of this section, each party shall and does hereby agree to indemnify, protect, defend, and hold harmless the other party, its officers, agents and employees, for, from and against all claims, demands, liabilities,

damages, costs, suits, losses, liens, expenses, causes of action, judgments, and fees (including court costs, attorney's fees, and costs of investigation), of any nature, kind, or description, by, through, or of any person or entity whomsoever arising out of, or alleged to have arisen out of, (in whole or in part) the Emergency Services to be performed, or in any way related to the Emergency Services. Nothing in this Section 4.02 or any other provision of this Agreement shall require, or be deemed or construed as having required, either party to assess or collect revenue or to create a sinking fund to satisfy any indemnification obligation under this Agreement.

Section 4.03 Liability

A. Specifically citing Texas Government Code Section 791.006 (a-1), the parties agree that, for purposes of determining civil liability for non-party claims, the act of any person or persons while fighting fires, providing rescue services, providing first response EMS services, traveling to or from any type of emergency call or emergency scene, or in any manner furnishing services in accordance with this Agreement, is the act of the party performing such act. The payment of any and all civil or other liability, including negligence, resulting from the furnishing of services under this Agreement is the responsibility of the individual party performing such acts. This specifically includes, but is not limited to, the payment of court costs, expenses, and attorneys' fees resulting from any such claim or lawsuit. The parties agree that the assignment of liability described in this Article IV is intended to be different than liability otherwise assigned under Section 791.006 (a) of the Texas Government Code.

B. It is expressly understood and agreed that a Party will not be held liable for the actions of any of the other Party's employees or volunteer members while in any manner furnishing services under this Agreement.

ARTICLE V. **PAYMENTS**

The total price for the bunker gear must equal or exceed \$12,000 in order for the City to receive the full amount of the one-time payment.

C. For any shift where there are less than three firefighters on duty, the District will deduct \$360 from the next applicable payment in Section 5.02 for each firefighter below the minimum staffing of three.

D. Expenses incurred during the term may be paid only with funds from the Fiscal Year's budget associated with the term.

Section 5.03 Payments from Current Revenues.

All payments made by either party under this Agreement shall be from current revenues.

ARTICLE VI.
MISCELLANEOUS

Section 6.01 Acquisition, Title to and Ownership of Assets

A. Pursuant to State law, all assets provided to the City or assets purchased or leased at any time using District funds, whether such funds were used to acquire or lease the asset in whole or in part, shall remain the property of the District regardless of title, and regardless of how or by whom the asset is used. If the District provides less than 100% of the funds required to purchase or lease an asset, the District's ownership in that asset shall be equal to the proportionate share of the funds provided.

B. From the Effective Date of the Agreement forward and notwithstanding any other provision in this Agreement, the District retains an ownership interest in all assets acquired or leased using District funds, whether funded by the District in whole or in part, in proportion to the amount of the acquisition price or lease expense paid by the District. The District agrees to make such assets fully available to, and to place such assets in the possession of, the City, to be used by the City in accordance with this Agreement and the protocols adopted by the City from time to time.

C. The City may not sell, trade, assign or convey to another person or entity any asset provided to the City by the District or acquired or leased in whole or in part using District funds without prior written approval of the District.

D. Section 6.01 survives the term of the Agreement, in accordance with State law.

Section 6.02 Independent Contractor.

It is further agreed that in the performance of all obligations of City under this Agreement, City is an independent contractor with the right to supervise, manage, control, and direct the performance of the Emergency Services required under this Agreement. The District will look to City for results only and the District will not direct or oversee City or its agents, members, employees or volunteers in the delivery of such Emergency Services,

or the manner, means, or methods by which the Emergency Services are performed or the manner in which City conducts its internal operations, except with regard to financial and fiscal matters.

Section 6.03 Governmental Immunity

The fact that District and City accept certain responsibilities relating to the rendition of Emergency Services under this Agreement as a part of their responsibility for providing protection for the public health, makes it imperative that the performance of these vital services be recognized as a governmental function and that the doctrine of governmental immunity shall be and it is hereby invoked to the extent possible under the law. Neither District nor City waives nor shall be deemed hereby to waive, any immunity or defense that would otherwise be available to it against claims arising from the exercise of government powers and functions.

Under no circumstances has the District agreed to pay funds to City or adopt a budget for certain levels of expenditures except upon the adoption, from time to time, of the referenced annual budgets, nor beyond any one year at a time under the term of this Agreement. The parties may, upon mutual agreement and consideration, renew the Agreement for successive one-year terms.

Section 6.05 Termination of Agreement.

If either Party desires to terminate this Agreement without cause prior to the expiration of the term, such Party must provide at least 60 days' written notice to the other Party. In addition, a Party may terminate this Agreement for cause as a result of a material breach of this Agreement. If the termination of this Agreement is for cause, the non-breaching Party must provide the breaching Party written notice clearly identifying the specific breach and providing a minimum 30-day cure period prior to terminating this Agreement under this provision. This Agreement may only be terminated for a material breach after a right to cure period has been exhausted. In the event of termination by either party, the District shall compensate the City pro-rata for all Emergency Services performed through the termination date, together with any reimbursable expenses then due pursuant to this Agreement.

We will also express an opinion on whether the combining and individual fund financial statements and schedules, and the schedule of expenditures of federal awards (“supplementary information”) is fairly stated, in all material respects, in relation to the financial statements as a whole.

Rachel Ormsby, Director, is responsible for supervising the engagement and authorizing the signing of the report or reports.

We will issue a written report(s) upon completion of our audit(s), addressed to the following parties:

Entity Name	Party Name
City of Ovilla, Texas	Honorable Mayor and City Council

You are responsible to distribute our reports to other officials who have legal oversight authority or those responsible for acting on audit findings and recommendations, and to others authorized to receive such reports.

The following apply for the audit services described above:

**Our
Responsibilities**

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards require that we plan and perform:

- The audit of the financial statements to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by fraud or error, and
- The audit of compliance with the types of compliance requirements described in the *OMB Compliance Supplement* applicable to each major federal award program to obtain reasonable rather than absolute assurance about whether noncompliance having a direct and material effect on a major federal award program occurred

We will exercise professional skepticism throughout the audit.

We will identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

We will obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We will also conclude, based on audit evidence obtained, whether there are conditions or events considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

**Limitations &
Fraud**

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Our understanding of internal control is not for the purpose of expressing an opinion on the effectiveness of your internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit. Also, in the future, procedures could become inadequate because of changes in conditions or deterioration in design or operation. Two or more people may also circumvent controls, or management may override the system.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate contract to be signed by you and **BKD, LLP**.

Opinion

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter paragraph or other-matter paragraph to our auditor's report, or if necessary, withdraw from the engagement.

If we discover conditions that may prohibit us from issuing a standard report, we will notify you. In such circumstances, further arrangements may be necessary to continue our engagement.

**Your
Responsibilities**

Management and, if applicable, those charged with governance acknowledge and understand their responsibility for the following:

- For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America
- For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
- For identifying and ensuring compliance with the laws, regulations, contracts, and grants applicable to your activities (including your federal award programs)
- To provide us with:
 - Access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including access to information relevant to disclosures
 - Additional information that we may request for the purpose of the audit
 - Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence

The results of our tests of compliance and internal control over financial reporting performed in connection with our audit of the financial statements may not fully meet the reasonable needs of report users. Management is responsible for obtaining audits, examinations, agreed-upon procedures, or other engagements that satisfy relevant legal, regulatory, or contractual requirements or fully meet other reasonable user needs.

**Written
Confirmations
Required**

As part of our audit process, we will request from management and, if applicable, those charged with governance written confirmation acknowledging certain responsibilities outlined in this contract and confirming:

- The availability of this information
- Certain representations made during the audits for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole

**Peer Review
Report**

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our most recent peer review report accompanies this contract.

**Supplementary
Information**

With regard to any supplementary information that we are engaged to report on:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements

**Implementation of
New Standards**

Unless indicated in our contract, our services and related fees do not include substantive assistance beyond routine advice related to the adoption of new accounting and reporting standards. Should you require assistance, we will bill you at our standard hourly rates.

**Assistance with
Application of
Standards**

Transactions or changes in business may require you to apply existing standards differently each year, such as when business operations create new revenue streams, operations are discontinued, liquidity or operational challenges are encountered, business combinations are executed, etc. We welcome your questions throughout the year and are happy to provide general guidance and routine support; however, our engagement does not include substantive effort to assist you with applying standards to these circumstances, unless otherwise indicated in the contract.

New Auditing and Accounting Standards

Fiduciary Activities

Governmental Accounting Standards Board Statement No. 84, *Fiduciary Activities*, is effective for the City's fiscal year ending September 30, 2021, with retrospective application in the year the update is first applied. The Statement is expected to significantly change how entities evaluate and report fiduciary activities.

We will need input and assistance from the accounting department throughout the process of implementation.

Leases

Governmental Accounting Standards Board Statement No. 87, *Leases*, is effective for the City's fiscal year ending September 30, 2022. Early application is encouraged.

Statement No. 87 establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources. We can assist you with the adoption by providing services which may include, but are not limited to:

- Assessing your readiness by assisting with the evaluation of your:
 - Current controls and policies
 - Current internal resources and system capabilities
- Assisting with changes required to adopt Statement No. 87, including:
 - Assisting with information gathering to develop an inventory of all lease agreements, service contracts, and other arrangements that may contain right-to-use lease assets
 - Recommending enhancements to existing controls and policies or suggesting new controls and policies to address Statement No. 87
 - Documenting any changes from your previous lease recognition and reporting methods
 - Drafting the required disclosures

The time it will take to perform the above assistance and our additional audit procedures relating to the adoption of the Statement, and any time to assist you with the adoption, may be minimized to the extent your personnel will be available to provide timely and accurate documentation and information as requested by us.

GENERAL

1. **Overview.** This addendum describes **BKD, LLP's** standard terms and conditions ("Terms and Conditions") applicable to Our provision of services to the Client ("You"). The Terms and Conditions are a part of the contract between You and **BKD, LLP**. For the purposes of the Terms and Conditions, any reference to "Firm," "We," "Us," or "Our" is a reference to **BKD, LLP** ("BKD"), and any reference to "You" or "Your" is a reference to the party or parties that have engaged Us to provide services.

BILLING, PAYMENT, & TERMINATION

2. **Billing and Payment Terms.** We will bill You for Our professional fees and costs as outlined in Our contract. Interest will be charged on any unpaid balance after 30 days at the rate of 10 percent per annum, or as allowed by law at the earliest date thereafter, and highest applicable rate if less than 10 percent.

We reserve the right to suspend or terminate Our work for this engagement or any other engagement for nonpayment of fees. If Our work is suspended or terminated, You agree that We will not be responsible for Your failure to meet governmental and other deadlines, for any penalties or interest that may be assessed against You resulting from Your failure to meet such deadlines, and for any other damages (including but not limited to consequential, indirect, lost profits, or punitive damages) incurred as a result of the suspension or termination of Our services.

Our fees may increase if Our duties or responsibilities are increased by rulemaking of any regulatory body or any additional new accounting or auditing standards. Our engagement fees do not include any time for post-engagement consultation with Your personnel or third parties, consent letters and related procedures for the use of Our reports in offering documents, inquiries from regulators, or testimony or deposition regarding any subpoena. Charges for such services will be billed separately.

3. **Billing Records.** If these services are determined to be within the scope and authority of Section 1861(v)(1)(I) of the Social Security Act, We agree to make available to the Secretary of Health and Human Services, or to the U.S. Comptroller General, or any of their duly authorized representatives, such of Our books, documents, and records that are necessary to certify the nature and extent of Our services, until the expiration of four (4) years after the furnishing of these services. This contract allows access to contracts of a similar nature between subcontractors and related organizations of the subcontractor, and to their books, documents, and records.
4. **Termination.** Either party may terminate these services in good faith at any time for any reason, including Your failure to comply with the terms of Our contract or as We determine professional standards require. Both parties must agree, in writing, to any future modifications or extensions. If services are terminated, You agree to pay BKD for time expended to date. In addition, You will be billed costs and fees for services from other professionals, if any, as well as an administrative fee of four (4) percent to cover items such as copies, postage and other delivery charges, supplies, technology-related costs such as software licensing, user access, and research tools, and similar expense items.

DISPUTES & DISCLAIMERS

5. **Mediation.** Any dispute arising out of or related to this engagement will, prior to resorting to litigation, be submitted for nonbinding mediation upon written request by either party. Both parties agree to try in good faith to settle the dispute in mediation. Unless the parties agree otherwise, the American Arbitration Association ("AAA") will administer any such mediation in accordance with its Commercial Mediation Rules. The mediator will be selected by agreement of the parties. If We cannot agree, a mediator shall be designated by the AAA. The mediation proceeding shall be confidential. Each party will bear its own costs in the mediation, but the fees and expenses of the mediator will be shared equally.
6. **Indemnification.** Unless disallowed by law or applicable professional standards, You agree to hold BKD harmless from any and all claims which arise from knowing misrepresentations to BKD, or the intentional withholding or concealment of information from BKD by Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. You also agree to indemnify BKD for any claims made against BKD by third parties, which arise from any wrongful actions of Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. The provisions of this paragraph shall apply regardless of the nature of the claim.
7. **Statute of Limitations.** You agree that any claim or legal action arising out of or related to this contract and the services provided hereunder shall be commenced no more than one (1) year from the date of delivery of the work product to You or the termination of the services described herein (whichever is earlier), regardless of any statute of limitations prescribing a longer period of time for commencing such a claim under law. This time limitation shall apply regardless of whether BKD performs other or subsequent services for You. A claim is understood to be a demand for money or services, demand for mediation, or the service of suit based on a breach of this contract or the acts or omissions of BKD in performing the services provided herein. This provision shall not apply if enforcement is disallowed by applicable law or professional standards.
8. **Limitation of Liability.** You agree that BKD's liability, if any, arising out of or related to this contract and the services provided hereunder, shall be limited to the amount of the fees paid by You for services rendered under this contract. This limitation shall not apply to the extent it is finally, judicially determined that the liability resulted from the intentional or willful misconduct of BKD or if enforcement of this provision is disallowed by applicable law or professional standards.
9. **Waiver of Certain Damages.** In no event shall BKD be liable to You or a third party for any indirect, special, consequential, punitive, or exemplary damages, including but not limited to lost profits, loss of revenue, interruption, loss of use, damage to goodwill or reputation, regardless of whether You were advised of the possibility of such damages, regardless of whether such damages were reasonably foreseeable, and regardless of whether such damages arise under a theory of contract, tort, strict liability, or otherwise.
10. **Severability.** If any portion of this contract is deemed invalid or unenforceable, said finding shall not operate to invalidate the remainder of the terms set forth in this contract.

11. **Assignment.** You acknowledge and agree that the terms and conditions of this contract shall be binding upon and inure to the parties' successors and assigns, subject to applicable laws and regulations.
12. **Disclaimer of Legal or Investment Advice.** Our services do not constitute legal or investment advice.

RECORDS, WORKPAPERS, DELIVERABLES, & PROPRIETARY INFORMATION

13. **Maintenance of Records.** You agree to assume full responsibility for maintaining Your original data and records and that BKD has no responsibility to maintain this information. You agree You will not rely on BKD to provide hosting, electronic security, or backup services, e.g., business continuity or disaster recovery services, to You unless separately engaged to do so. You understand that Your access to data, records, and information from BKD's servers, i.e., BKDconnect, can be terminated at any time and You will not rely on using this to host Your data and records.
14. **BKD Workpapers.** Our workpapers and documentation retained in any form of media for this engagement are the property of BKD. We can be compelled to provide information under legal process. In addition, We may be requested by regulatory or enforcement bodies (including any State Board) to make certain workpapers available to them pursuant to authority granted by law or regulation. Unless We are prohibited from doing so by law or regulation, BKD will inform You of any such legal process or request. You agree We have no legal responsibility to You in the event We determine We are obligated to provide such documents or information. In addition, You agree to compensate or reimburse BKD for all costs and expenses, including reasonable attorney's fees, associated with BKD's compliance with requests or demands for its workpapers or other information related to this engagement, and for any testimony required by summons or subpoena.
15. **Use of Deliverables and Drafts.** You agree You will not modify any deliverables or drafts prepared by Us for internal use or for distribution to third parties. You also understand that We may on occasion send You documents marked as draft and understand that those are for Your review purpose only, should not be distributed in any way, and should be destroyed as soon as possible.

Our report on any financial statements must be associated only with the financial statements that were the subject of Our engagement. You may make copies of Our report, but only if the entire financial statements (exactly as attached to Our report, including related footnotes and supplementary information, as appropriate) are reproduced and distributed with Our report. You agree not to reproduce or associate Our report with any other financial statements, or portions thereof, that are not the subject of Our engagement.

16. **Proprietary Information.** You acknowledge that proprietary information, documents, materials, management techniques, and other intellectual property are a material source of the services We perform and were developed prior to Our association with You. Any new forms, software, documents, or intellectual property We develop during this engagement for Your use shall belong to Us, and You shall have the limited right to use them solely within Your business. All reports, templates, manuals, forms, checklists, questionnaires, letters, agreements, and other documents which We make available to You

are confidential and proprietary to Us. Neither You, nor any of Your agents, will copy, electronically store, reproduce, or make any such documents available to anyone other than Your personnel. This provision will apply to all materials whether in digital, "hard copy" format, or other medium.

REGULATORY

17. **U.S. Securities and Exchange Commission ("SEC") and other Regulatory Bodies.** Where We are providing services either for (a) an entity that is registered with the SEC, (b) an affiliate of such registrant, or (c) an entity or affiliate that is subject to rules, regulations, or standards beyond those of the American Institute of Certified Public Accountants ("AICPA"), any term of this contract that would be prohibited by or impair Our independence under applicable law or regulation shall not apply to the extent necessary only to avoid such prohibition or impairment.
18. **Offering Document.** You may wish to include Our report(s) on financial statements in an exempt offering document. You agree that any report, including any auditor's report, or reference to Our firm, will not be included in any such offering document without notifying us. Any agreement to perform work in connection with an exempt offering document, including providing agreement for the use of the auditor's report in the exempt offering document, will be a separate engagement.

Any exempt offering document issued by You with which We are not involved will clearly indicate that We are not involved by including a disclosure such as, "BKD, LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. BKD, LLP also has not performed any procedures relating to this offering document."
19. **BKD Not a Municipal Advisor.** BKD is not acting as Your municipal advisor under Section 15B of the *Securities Exchange Act of 1934*, as amended. As such, BKD is not recommending any action to You and does not owe You a fiduciary duty with respect to any information or communications regarding municipal financial products or the issuance of municipal securities. You should discuss such matters with internal or external advisors and experts You deem appropriate before acting on any such information or material provided by BKD.

TECHNOLOGY

20. **Electronic Sites.** You agree to notify Us if You desire to place Our report(s), including any reports on Your financial statements, along with other information, such as a report by management or those charged with governance on operations, financial summaries or highlights, financial ratios, etc., on an electronic site. You recognize that We have no responsibility to review information contained in electronic sites.
21. **Electronic Signatures and Counterparts.** This contract and other documents to be delivered pursuant to this contract may be executed in one or more counterparts, each of which will be deemed to be an original copy and all of which, when taken together, will be deemed to constitute one and the same agreement or document, and will be effective when counterparts have been signed by each of the parties and delivered to the other parties. Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this

contract are intended to authenticate this writing and to have the same force and effect as manual signatures. Delivery of a copy of this contract or any other document contemplated hereby, bearing an original manual or electronic signature by facsimile transmission (including a facsimile delivered via the internet), by electronic mail in "portable document format" (".pdf") or similar format intended to preserve the original graphic and pictorial appearance of a document, or through the use of electronic signature software, will have the same effect as physical delivery of the paper document bearing an original signature.

22. **Electronic Data Communication and Storage.** In the interest of facilitating Our services to You, We may send data over the internet, temporarily store electronic data via computer software applications hosted remotely on the internet, or utilize cloud-based storage. Your confidential electronic data may be transmitted or stored using these methods. In using these data communication and storage methods, We employ measures designed to maintain data security. We use reasonable efforts to keep such communications and electronic data secure in accordance with Our obligations under applicable laws, regulations, and professional standards.

You recognize and accept that We have no control over the unauthorized interception or breach of any communications or electronic data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by us. You consent to Our use of these electronic devices and applications during this engagement.

OTHER MATTERS

23. **Third-Party Service Providers.** BKD may from time to time utilize third-party service providers, e.g., domestic software processors or legal counsel, or disclose confidential information about You to third-party service providers in serving Your account. BKD maintains, however, internal policies, procedures, and safeguards to protect the confidentiality and security of Your information. In addition, BKD will secure confidentiality agreements with all service providers to maintain the confidentiality of Your information. If We are unable to secure an appropriate confidentiality agreement, You will be asked to consent prior to BKD sharing Your confidential information with the third-party service provider.
24. **Independent Contractor.** When providing services to You, We will be functioning as an independent contractor; and in no event will We or any of Our employees be an officer of You, nor will Our relationship be that of joint venturers, partners, employer and employee, principal and agent, or any similar relationship giving rise to a fiduciary duty to You.
25. **Use of BKD Name.** Any time You intend to reference BKD's firm name in any manner in any published materials, including on an electronic site, You agree to provide Us with draft materials for review and approval before publishing or posting such information.
26. **Praxity.** BKD is an independent accounting firm allowed to use the name "Praxity" in relation to its practice. BKD is not connected, however, by ownership with any other firm using the name "Praxity." BKD will be solely responsible for all work carried out on Your behalf. In deciding to engage BKD, You acknowledge that We have not represented to You that any other firm using the name "Praxity" will in any way be responsible for Our work.

27. **BKD Status as LLP.** BKD is a registered limited liability partnership under Missouri law. Under applicable professional standards, partners of **BKD, LLP** have the same responsibilities as do partners in a general accounting and consulting partnership with respect to conformance by themselves and other professionals in BKD with their professional and ethical obligations. However, partners in a registered limited liability partnership do not have individual civil liability, directly or indirectly, for any debts, obligations, or liabilities of or chargeable to the registered limited liability partnership or each other, whether arising in tort, contract, or otherwise.
28. **Entire Agreement.** The contract, including this *Terms and Conditions Addendum* and any other attachments or addenda, encompasses the entire agreement between You and BKD and supersedes all previous understandings and agreements between the parties, whether oral or written. Any modification to the terms of this contract must be made in writing and signed by both You and BKD.
29. **Force Majeure.** We shall not be held responsible for any failure to fulfill Our obligations if such failure was caused by circumstances beyond Our control.

ITEM 2. DISCUSSION/ACTION – Consideration of and action on a revised concept plan for the development of walking trails, and placement of public restrooms and the pavilion at Founders Park.

Discussion / Justification:

With the approval of the FY2021-2022 Budget, the Park Department is already working with vendors and placing the orders for the pavilion and public restrooms in Founders Park. This will fulfill a major goal in the City of Ovilla Parks Master Plan.

BACKGROUND:

RESOLUTION No. R2020-19 identified Founders Park with an exhibit (map) detailing the walking trails and placement of the buildings.

The Park Department has prepared a new map listing the placement of both the public restrooms and the pavilion, and the walking trails. The restrooms and the pavilion are both funded by the Economic Development Corporation in this fiscal year's budget. This follows the City's Strategic Plan as well as the adopted 2018 Parks Master Plan.

PROPOSAL:

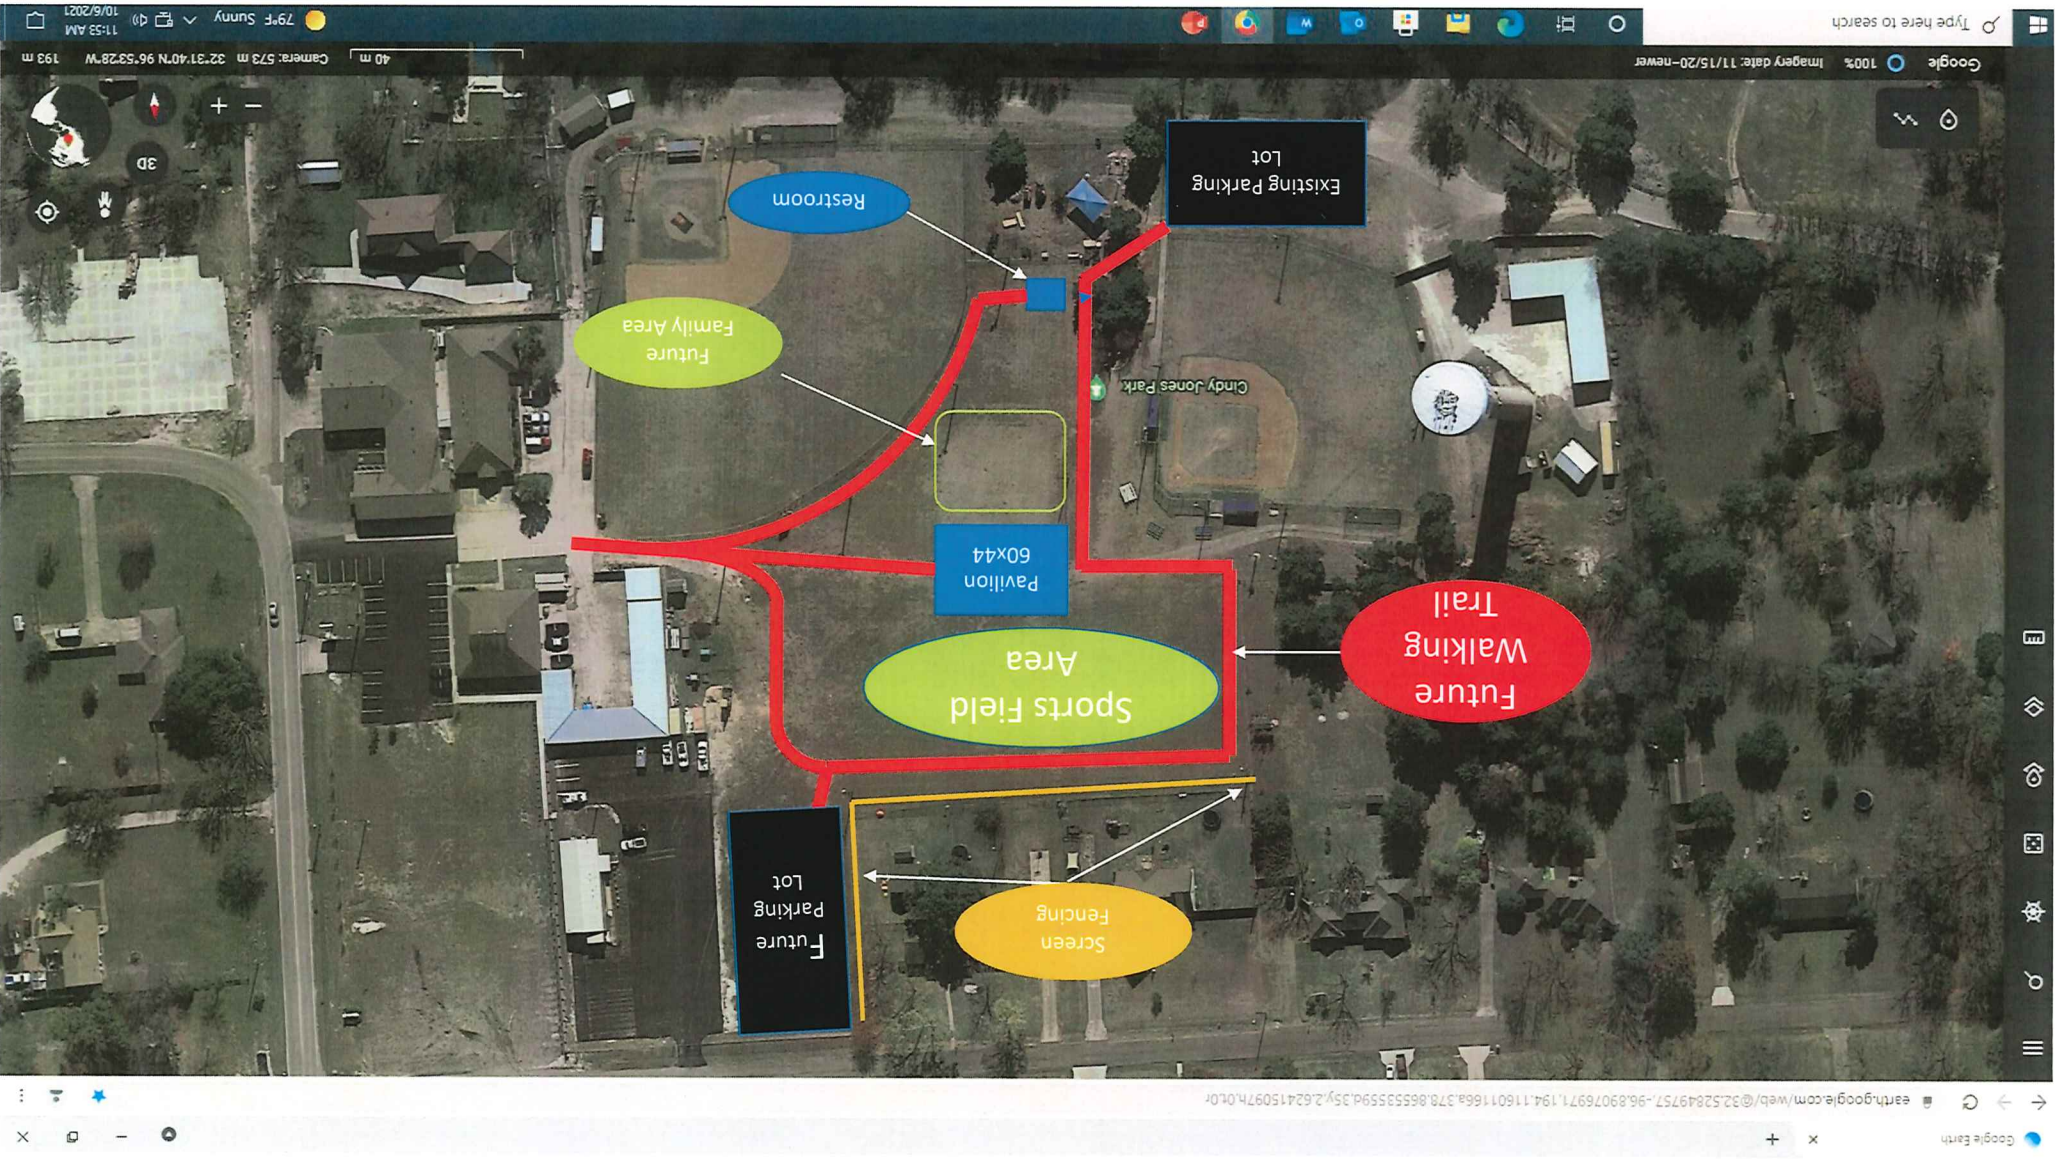

Staff will prepare a new resolution updating the exhibit of the park area and return with it at the November meeting for approval.

Recommendation / Staff Comments:

Staff recommends approval of the concept plan.

Sample Motion(s):

I move to approve / deny revised concept plan for the development of walking trails, and placement of public restrooms and the pavilion at Founders Park as presented.

ITEM 4. DISCUSSION/ACTION – Consideration of and action on Ord 2021-21 of the City of Ovilla, Texas, repealing Chapter 4, Article 4.10, Section 4.10.002(g); providing revised regulations pertaining to mobile food vendor operations on private property and commercial business property; providing a savings clause; providing a severance clause; providing for incorporation into the Ovilla Code of Ordinances; providing for immediate effect; and providing for publication.

Discussion / Justification:

BACKGROUND:

In the last fiscal year, the Council approved an ordinance revising the regulations and standards for special events permits, which addressed the allowance of mobile food vendors on commercial properties for an event. This conflicted with the mobile food vendor ordinance, whereas the current ordinance only allows a stationary mobile food vendor in the commercial restricted area of Ovilla at Heritage Park.

FINDINGS:

To eliminate the conflicting language between the two ordinances and to allow the use of a mobile food vendor at the downtown businesses for events, staff presents the ordinance provided.

Recommendation / Staff Comments:

Staff recommends approval of Ordinance 2021-21 as presented.

Sample Motion(s):

I move to approve/deny Ord 2021-21 of the City of Ovilla, Texas, repealing Chapter 4, Article 4.10, Section 4.10.002(g); providing revised regulations pertaining to mobile food vendor operations on private property and commercial business property; providing a savings clause; providing a severance clause; providing for incorporation into the Ovilla Code of Ordinances; providing for immediate effect; and providing for publication.

WHEREAS, the City Council of the City of Ovilla, Texas, does find and determine that it is in the best interest of the safety, health and welfare of the citizens of the City of Ovilla, Texas, to adopt regulations pertaining to the operation of mobile food vending operations on private property and on commercial business property within the city limits.

NOW, THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF OVILLA, TEXAS, THAT:

SECTION 2. AMENDMENT OF CHAPTER 4, ARTICLE 4.10, SECTION 4.10.002(G), OF THE OVILLA CODE OF ORDINANCES

- (g) Mobile food vendors who conduct business on any private property, other than commercial business property, that is not owned by the mobile food vendor shall provide the City with written and signed permission of the property owner and may operate at such location subject to the provisions of Section 4.10.002(a)-(d) above. Commercial business owners may operate or allow the operation of stationary mobile food vendors on such owners' commercial business property during the owners' normal business hours and subject to Section 4.10.002(a) and (b) above.

SECTION 2. SAVINGS CLAUSE

In the event any other Ordinance of the City of Ovilla, Texas, heretofore enacted is found to conflict with the provisions of the Ordinance, this Ordinance shall prevail.

Discussion / Justification:

BACKGROUND:

Staff solicited a report on asbestos suspicion in the city hall building after the public works moved to their new facility. Resource Environmental Consulting, Inc. (REC), was contacted (recommended by Place 2 Oberg as a reputable company) and found asbestos in limited areas of the building.

Staff contacted two more companies to obtain quotes.

REQUEST & FINANCIAL OBLIGATION:

Headstrong Environmental provided staff with an inspection and abatement proposal for that portion of the building which also includes limited areas in the fire station bay. The estimated cost is \$16,138.25 and is the low quote, however it does not include air-testing. This is not a budgeted item and will necessitate a budget amendment at mid-year.

ITEM 7. DISCUSSION/ACTION – Consideration of and action authorizing the mayor to execute two employee reimbursement agreements.

Discussion / Justification:

During the previous fiscal year 2020-2021 (Covid), it was discovered that a change in insurance benefits were made. Miscommunication between HR and payroll resulted in employee deductions not being updated. This resulted in the employees having a sizable financial obligation to the city.

It is staff's recommendation to allow these employees to reimburse the city over a 6-month period, set-up through payroll deductions. Legal Counsel provided staff with a reimbursement agreement.

Recommendation / Staff Comments:

Staff recommends approval.

Sample Motion(s):

I move to authorize the mayor to execute two employee reimbursement agreements as presented.

WHEREAS, Employee has voluntarily relinquished to City a total of 40 hours of accrued vacation pay towards the repayment of the health insurance premiums; and

WHEREAS, a balance of \$ 1388.15 remains due and owing from Employee to City; and

WHEREAS, City understands and agrees that requiring a lump sum payment of the remaining balance owed by Employee would work an undue hardship on Employee.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, it is agreed as follows:

1. City agrees to allow Employee to repay City the cost of health insurance premiums in the amount of \$ 1,388.15 over a period of 6 months through 13 biweekly paycheck deductions in the amount of \$ 106.78 each.

Agenda Item / Topic:

ITEM 8. DISCUSSION – Update and discuss staffs initial plans for the renovations of the police station and city offices.

Discussion / Justification:

BACKGROUND: The Municipal Development District & Council approved to fund up to \$300,000 for the renovation of the police station. Additionally, staff in the city hall office is trying to make the best use of the building with staff restructuring and adding an employee. Staff has devised a possibility to run by Council – sharing that is the most cost-effective solution and provides the best use of space for both buildings.

Findings/Proposal:

1. Staff proposes to take one of the outside bays next to the police station and convert that into the records retention room. Once the asbestos abatement is completed in the old public works building, staff will move the conference room (executive area too) to that section of the building with a small kitchenette.
2. The current kitchen will be converted into another office area and the city manager's office will again move to the front of the city hall offices. That will provide space for G and the new accountants positions.
3. Chief Bennett has been in contact with an architect. Anthony Mottla, Mottla Architects, in Waxahachie. This group is currently designing the new municipal building in Glenn Heights and was the architect for the Red Oak Police / Fire Station. This group additionally designed several municipal buildings in Waxahachie.
4. Mr. Mottla will assist staff in improving and updating unused space, as opposed to a complete renovation. He noted the cost to completely renovate our current buildings (which are residential in design and build) to a commercial structure would be excessive in cost and not feasible for our needs.
5. He hopes to have some preliminary designs back to us within two weeks.
6. Mr. Mottla inspected some of our structural concerns at the administration building and fire station and shared his thoughts with our Park/Building Maintenance supervisor, advising that these could be remedied with minimum cost.

Recommendation / Staff Comments:

Staff recommends moving forward and believes this is the most cost effective and us of office space enhancement for both the police and administration buildings. We will return with plans.

OVILLA POLICE DEPARTMENT
MONTHLY REPORT / SEPTEMBER 2021

DEPARTMENTAL AUDIT / TEXAS COMMISSION ON LAW ENFORCEMENT:

On September 22, Agent Thomas Bickers from the TEXAS COMMISSION ON LAW ENFORCEMENT conducted an in-person audit of the Ovilla Police Department. The audit mainly inspected our personnel files, training records, background investigations on employees, firearms qualifications, and so on. There are numerous legalities we must comply with that are different from other businesses.

Ovilla PD scored a perfect audit rating with zero deficiencies found.

MCCLATCHEY ELEMENTARY:

On September 15, officers from the Ovilla Police Department and myself, assisted Midlothian ISD police with a staged lock-down drill at McClatchey Elementary School. The drill itself tests and prepares MISD staff and students on how to respond should an actual lock-down be necessary at the school. The staff and students responded very well and the drill was an overall success.

OVILLA CHRISTIAN SCHOOL:

On September 17, I met with security staff from the Ovilla Christian School to discuss any potential concerns or needs they may have regarding campus security and emergency / lock-down preparation. OCS staff did ask if we would assist them in preparing a mock emergency or disaster drill for some time early next year.

OTHER MEETINGS:

Sept 02: Met with Ellis County District Attorney, Ann Montgomery to discuss legal updates and plans for effective case preparation / prosecution in Ellis County.

Sept 15: Met with Chelsea Smith, Head of Ellis County Juvenile Division to discuss juvenile detention procedures in Ellis County.

OVILLA POLICE DEPARTMENT
MONTHLY REPORT / SEPTEMBER 2021

OTHER MEETINGS:

Sept 30: Attended monthly SRRG Special Response Team meeting at DeSoto PD. Ovilla PD has been a member of the Southern Regional Response Group for several years.

LOJACK GPS TRACKING:

As you may not know, about a year ago Lieutenant Geiser inquired about possibly having LoJack monitoring systems installed in some of our patrol vehicles. (LoJack is a GPS recovery system used to track and locate stolen vehicles, ATM machines, etc.) Upon contacting LoJack, they agreed to install the monitoring systems in two of our patrol vehicles at no cost. (We had the units installed in both of our police Tahoes)

Since that time, our officers have located and recovered two different stolen tractors / skid-steers being hidden in our City due to alerts from the LoJack system. The most recent recovery (Sept 05) was a stolen Bobcat Skid-steer loader located at a residence in the 900 block of Cockrell Hill Road. That recovered skid-steer was valued at approximately \$45,000.

BUILDING:

In preparation of our building renovation project, Architect Anthony Mottla (Mottla Architects, 308 E. Marvin Avenue, Waxahachie, TX 75165. (www.mottlaarchitects.com)) came out to discuss our project. Mr. Mottla is currently the architect designing the City of Glenn Heights new public safety complex and community center. He was also the architect for the Red Oak Police / Fire Station, and several Fire and municipal buildings in Waxahachie.

Mr. Mottla agreed any project to renovate our building should be to improve and update some unused space, opposed to a complete renovation. He also noted the cost to completely renovate our current building (which is residential in design and build) to a commercial structure would be excessive in cost and not feasible for our needs. He hopes to have some preliminary designs back to us within two weeks.

Public Works Project Overview

The Public Works Dept. would like to thank the council and staff for continued support on our efforts to make Ovilla a customer friendly city.

PUBLIC WORKS DIRECTOR REPORT

MS4 report update. *Permit is current*

Projects. We have ordered the new restrooms and are in the process of drawing up a site plan for Founder's Park and the location of the new pavilion and walking trails. We hope to have all of it ready for the November City Council meeting.

1. The new chemical buildings are complete at a total of \$34020.00.
2. The parks Dept. is working on the entrance to the City Council Chambers to get it ADA compliant.
3. We are in the process of getting final quotes on the Radio Read Meter System
4. Waiting on final quotes for the upgrade to our SCADA system.
5. The equipment has been ordered for the building security for Public Works
6. The generator has been ordered and the wait time is 20 to 22 weeks. It won't be in service this winter.

Public works worked on a main break on 664. We had some issues getting the water turned off. In the process, we found a couple of valves that were not on the map. After finding them, we were able to isolate the leak and get the water shut down. This caused the water to be off longer than normal. We were losing too much water to allow it to leak until we could notify anyone. We never want to have our citizens services to have interruptions, but the leak was too big to let it continue.
